Ref. No. 61/scbcc/18

Dated: 18th May 2018

To,
Rhitwik Chatterjee
State Water Investigation Directorate,
WRIDD, Government of West Bengal

Re: To seek an academic collaboration with the State Water Investigation Directorate, Berhampore, and our institute

Sir,

This letter is to intimate an academic collaboration between State Water Investigation Directorate, Berhampore, and our institute where we would like to arrange for two-day's workshop on "*Field measurement and best management practices for the environmental hazard*" between 23-24th May, 2018.

The fundamental objectives of this workshop is to build an orientation on techniques of arsenic and iron measurement and removal in the household tube well installed around our institute, together with we also intended to setup a best management practice for the household waste at our college premises. All the attempts will encourage student in their higher academics and research and develop their knowledge and skill regarding the matter.

We are cordially intimating you to conduct the workshop and deliver a lecture as part of this event. We would be highly obliged is you kindly arrange for the needful so that we could use your departmental logo in the brochure, certificates and other related document for this event.

The college will bear the financial requirement to organize this event and the interest persons (teacher and students) will register themselves for this event from various colleges in and around the district. Dr. Debabrata Mondal, Assistant Professor in Department of Geography and Rajarshree Gupta, Assistant Professor in English are the conveners of this event and would be arranging for the facilities for the resource persons.

Thanking you in anticipation.

Sincerely yours

(Dr Shakil Ahmed Khan)
