Na

Development of xerox and Printing facility and also computer facility.

1. The college needs to be given the opportunity to use the library in its routine. 2. It is better if GE class time is before 3:00 PM.

Since the library is the repository of all studies, so it is important for our college to improve our college library facilities among the students and teachers. It is essential to create full-time librarian and Assistant-librarian post by the respective college authorities.

Need to introduce more add-on courses to improve employability of the students.

No suggestions

students দেব admission এর পরে library card গুলো দ্রুত দিতে পারলে ভালো হয়।

Need more books in library.

Well

Overall good

Department level demands on academic ground should be judged properly and action should be implemented accordingly, all the academic decisions are even not clear before them who officially are responsible for academic decisions, grievance redressed management and workload distribution on the end of authority should be justified and fair.

Updated books of Urdu department in our college library are required.

All facilities

Good

Improve the Internet facility Maintenance of student toilet

The College should take steps to improve the quality of canteen and should be taken necessary steps to organise initiative training programme in our College campus.

Uninterrupted supply of power in GIS Lab of department of Geography must be ensured.

It's ok, kintu amader nijeder k(Sir) aaro students der jonno agiye aasa uchit, r nijeder modhye unity r aaro besi proyojon.

The facilities in the canteen as well as the internet service need to be improved.

Overall rs good.

No

The college should open science subjects and pg courses.

NA

Teacher's need a mirror in the room, need a good canteen...

The drawback of our institution is mainly the financial condition of our students, which can make them fall behind. Most of them are the first generation learner.

Discipline is not good

no

A

College condition is very bad

I think we need more update journal & magazine in Urdu literature

Development of Toilet facility

Most of the areas are well growing condition but regarding employability of the students have to be better, although most of the areas are not depending on college authority only. As an arts college there are so many limitations. So if higher authority, like UGC, as well as department of higher education government of w. B, can look sympathetically for our most of the 1st generation pour lerners and give support to improve college infrastructure for the benefit of the students, then we can overcome all the limitations.
